

ICD-9-CM	ICD-10-PCS	ICD-10-PCS Description
41.01	30230G0	Peripheral vein, open, bone marrow, autologous
	30233G0	Peripheral vein, percutaneous, bone marrow, autologous
	30240G0	Central vein, open, bone marrow, autologous
	30243G0	Central vein, percutaneous, bone marrow, autologous
	30250G0	Peripheral artery, open, bone marrow, autologous
	30253G0	Peripheral artery, percutaneous, bone marrow, autologous
	30260G0	Central artery, open, bone marrow, autologous
41.02	30263G0	Central artery, percutaneous, bone marrow, autologous
	30230G1	Peripheral vein, open, bone marrow, nonautologous
	30233G1	Peripheral vein, percutaneous, bone marrow, nonautologous
	30240G1	Central vein, open, bone marrow, nonautologous
	30243G1	Central vein, percutaneous, bone marrow, nonautologous
	30250G1	Peripheral artery, open, bone marrow, nonautologous
	30253G1	Peripheral artery, percutaneous, bone marrow, nonautologous
41.03	30260G1	Central artery, open, bone marrow, nonautologous
	30263G1	Central artery, percutaneous, bone marrow, nonautologous
	30230G1	Peripheral vein, open, bone marrow, nonautologous
	30233G1	Peripheral vein, percutaneous, bone marrow, nonautologous
	30240G1	Central vein, open, bone marrow, nonautologous
	30243G1	Central vein, percutaneous, bone marrow, nonautologous
	30250G1	Peripheral artery, open, bone marrow, nonautologous
41.04	30253G1	Peripheral artery, percutaneous, bone marrow, nonautologous
	30260G1	Central artery, open, bone marrow, nonautologous
	30263G1	Central artery, percutaneous, bone marrow, nonautologous
	30230Y0	Peripheral vein, open, stem cells, hematopoietic, autologous
	30233Y0	Peripheral vein, percutaneous, stem cells, hematopoietic, autologous
	30240Y0	Central vein, open, stem cells, hematopoietic, autologous
	30243Y0	Central vein, percutaneous, stem cells, hematopoietic, autologous
41.05	30250Y0	Peripheral artery, open, stem cells, hematopoietic, autologous
	30253Y0	Peripheral artery, percutaneous, stem cells, hematopoietic, autologous
	30260Y0	Central artery, open, stem cells, hematopoietic, autologous
	30263Y0	Central artery, percutaneous, stem cells, hematopoietic, autologous
	30230Y1	Peripheral vein, open, stem cells, hematopoietic, nonautologous
	30233Y1	Peripheral vein, percutaneous, stem cells, hematopoietic, nonautologous
	30240Y1	Central vein, open, stem cells, hematopoietic, nonautologous
41.06	30243Y1	Central vein, percutaneous, stem cells, hematopoietic, nonautologous
	30250Y1	Peripheral artery, open, stem cells, hematopoietic, nonautologous
	30253Y1	Peripheral artery, percutaneous, stem cells, hematopoietic, nonautologous
	30260Y1	Central artery, open, stem cells, hematopoietic, nonautologous
	30263Y1	Central artery, percutaneous, stem cells, hematopoietic, nonautologous
	30230X0	Peripheral vein, open, stem cells, cord blood, autologous
	30233X0	Peripheral vein, percutaneous, stem cells, cord blood, autologous
41.06	30240X0	Central vein, open, stem cells, cord blood, autologous
	30243X0	Central vein, percutaneous, stem cells, cord blood, autologous
	30250X0	Peripheral artery, open, stem cells, cord blood, autologous
	30253X0	Peripheral artery, percutaneous, stem cells, cord blood, autologous
	30260X0	Central artery, open, stem cells, cord blood, autologous

ICD-9-CM	ICD-10-PCS	ICD-10-PCS Description
41.06 (continued)	30263X0	Central artery, percutaneous, stem cells, cord blood, autologous
	30230X1	Peripheral vein, open, stem cells, cord blood, nonautologous
	30233X1	Peripheral vein, percutaneous, stem cells, cord blood, nonautologous
	30240X1	Central vein, open, stem cells, cord blood, nonautologous
	30243X1	Central vein, percutaneous, stem cells, cord blood, nonautologous
	30250X1	Peripheral artery, open, stem cells, cord blood, nonautologous
	30253X1	Peripheral artery, percutaneous, stem cells, cord blood, nonautologous
	30260X1	Central artery, open, stem cells, cord blood, nonautologous
	30263X1	Central artery, percutaneous, stem cells, cord blood, nonautologous
41.07	30230Y0	Peripheral vein, open, stem cells, hematopoietic, autologous
	30233Y0	Peripheral vein, percutaneous, stem cells, hematopoietic, autologous
	30240Y0	Central vein, open, stem cells, hematopoietic, autologous
	30243Y0	Central vein, percutaneous, stem cells, hematopoietic, autologous
	30250Y0	Peripheral artery, open, stem cells, hematopoietic, autologous
	30253Y0	Peripheral artery, percutaneous, stem cells, hematopoietic, autologous
	30260Y0	Central artery, open, stem cells, hematopoietic, autologous
	30263Y0	Central artery, percutaneous, stem cells, hematopoietic, autologous
41.08	30230Y1	Peripheral vein, open, stem cells, hematopoietic, nonautologous
	30233Y1	Peripheral vein, percutaneous, stem cells, hematopoietic, nonautologous
	30240Y1	Central vein, open, stem cells, hematopoietic, nonautologous
	30243Y1	Central vein, percutaneous, stem cells, hematopoietic, nonautologous
	30250Y1	Peripheral artery, open, stem cells, hematopoietic, nonautologous
	30253Y1	Peripheral artery, percutaneous, stem cells, hematopoietic, nonautologous
	30260Y1	Central artery, open, stem cells, hematopoietic, nonautologous
	30263Y1	Central artery, percutaneous, stem cells, hematopoietic, nonautologous
41.09	30230G0	Peripheral vein, open, bone marrow, autologous
	30233G0	Peripheral vein, percutaneous, bone marrow, autologous
	30240G0	Central vein, open, bone marrow, autologous
	30243G0	Central vein, percutaneous, bone marrow, autologous
	30250G0	Peripheral artery, open, bone marrow, autologous
	30253G0	Peripheral artery, percutaneous, bone marrow, autologous
	30260G0	Central artery, open, bone marrow, autologous
	30263G0	Central artery, percutaneous, bone marrow, autologous
