System Capacity Initiative: Program Organization and Participants

A Steering Committee, its chair and multiple NMDP staffers, serve to coordinate the functioning of seven Working Groups. Each Working Group is led by a Chair and Vice Chair who represents topic area expertise. Groups are composed of 13 – 20 key professionals, representatives of academic organizations, content experts and stakeholders. See the program organization below.

Rosters of participants in the Steering Committee and Working Groups are on the pages that follow.

**Working Groups**
- Physician Workforce
- Advanced Practice Professionals Workforce
- Nursing Workforce
- Pharmacy Workforce
- Financial
- Diversity and Health Care Disparities
- Facility Capacity and Care Delivery Models

**Participants**

**National Marrow Donor Program**
- Center for International Blood and Marrow Transplant Research

**Professional Societies**
- American Society for Blood and Marrow Transplantation
- American Society of Hematology
- Association of Oncology Social Work
- Association of Pediatric Oncology Social Workers
- Oncology Nursing Society

**Transplant Centers**

**Transplant Experts** (Physicians, Physician Assistants/Nurse Practitioners, Nurses, Social Workers, Pharmacists)

**Hospital Administrators**

**Government**
- Health Resources and Services Administration
- National Institutes of Health

**Payors**

**Patient Advocacy Organizations**
# System Capacity Initiative – Steering Committee

**CHAIR:** Edward L. Snyder, MD  
Past Chair, NMDP Board of Directors,  
Principal Investigator,  
Yale University School of Medicine,  
Yale-New Haven Hospital
